MEDICAL RECORD PRIVACY INFORMATION

This notice describes how information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

Our Policy on Medical Record Privacy
This notice will describe the way our practice will treat medical records we keep regarding your medical care. We are required to keep a record for you care, including your diagnosis, treat- ment, services you receive, and other information. We are re- quired by law to protect your personal medical record by keep- ing it private and following certain rules that dictate whether and when we can use or disclose your information. This notice will inform you of these rules. It will also notify you of your rights and our obligations in our use and disclosure of your health in- formation. We are also required to give you notice, and to fol- low the terms of the notice that is currently in effect. We reserve the right to change this notice, and apply those changes to health information we currently have, as well as information we may receive in the future. If we change this notice, you will re- ceive a new copy of this notice the next time you receive ser- vices from our practice. A copy of this notice the next time you receive services from our practice. A copy of this notice will be on display in our office.

Understanding Your Health Record
Each time you visit Body Gears Physical Therapy, a record of your visit is made. Typically, this record contains your symptoms, examination, test results, diagnosis, treatment, and a plan for future care of treatment. This information, often referred to as your health or medical record, may serve as a:
- Basis for planning you care and treatment
- Means of communication among the many health professionals who contribute to your care
- Legal document describing the care you received
- Means by which you or a third party payer (such as your insurance company or HMO) can verify that services billed were actually provided
- A source of data for medical research
- A source of information for public health officials charged with improving the health of Illinois and the nation
- A source of data for planning and marketing
- A tool with which we can assess and continually work to improve the care we render and the outcomes we achieve.

Your Rights Regarding Your Health Information
You have the right to:
- Request that we restrict the use or disclosure of your health information for treatment, payment, or healthcare operations (as described in this notice)
- Request that we restrict from disclosing information to family or friends
- Request how you would like us to communicate with you
- Inspect and copy certain health information, including most of your medical and billing records. This request must be made in writing to the Privacy Officer. A reasonable fee may be applied for copying, postage, or other expenses related to your request. We may deny your request to inspect and or copy your health information. If we do, another licensed health care professional will review your request and we will comply with the outcome of the review.
- Amend your health record as provided in 45 CFR 164,528
- Obtain an accounting of disclosure of your health information as provided in 45 CFR 164,528
- Obtain a paper copy of this notice upon request

NOTE:
We are not required to agree to your requests. To request restrictions or limitations, you must make a written request to the Privacy Officer. The request must tell us (1) what information you want to limit; (2) whether you want to limit the use of the informa- tion and or disclosure of the information; (3) to whom the limitation or restrictions will apply.

Our Responsibilities
Body Gears Physical Therapy is required to:
- Maintain the privacy of your health information
- Provide you with this notice as to our legal duties and privacy practices with respect to information we collect and maintain about you
- Abide by the terms of this notice
- Notify you if we were unable to agree to a requested restriction
- Accommodate reasonable requests you may have to communicate health information by alternative means or at alternative locations
